

The  
PONTCHARTRAIN

New Orleans

Monday.

Dear Cecile,

I hope you have all your wishes gratified when your new baby arrives. I was quite surprised.

Frances expects in September about the 20<sup>th</sup>. She feels fine and looks very well.

Your mother & John, Julia & Sam and Frances are having dinner here to-night. Sister & John leave about 11<sup>to night</sup> for Mass.

There is never a dull moment for them. We will miss them.

Lorraine is at camp in N.C.  
Dooney & Bernard are in New  
York. They will be home the  
end of the week.

Fanny Demme Kittay is expect-  
ing a baby in Nov. I think Grayson  
Kullman who is Doris's age  
just had a son.

Would you rather have a check  
or something for the trouces?  
Is the food situation getting  
better? Everything is so high  
here.

Much love to all of you

fondly

Aunt Dora.
