My dear Cecil and hers

It was so nice hearing from  
you and that - you are so happily  
settled in your new home! - I  
feel sure the children are  
thrilled with everything. Bob  
spent the evening with us on  
Wednesday - and gave us glowing  
accounts - of everything - he will  
have Sunday dinner with us  
day after to-morrow - We hope to  
make up in a way - what he  
misses in not spending the  
usual Sunday with you and

The children - of course you get  
all news from your mother - and  
have heard about her house  
being rented to The Leon Isaacs  
and that she will occupy the  
State house - (so near me) until  
her trip to New York in December.

My had some excitement here  
last week - but - I am happy to  
say aside from some damage  
to the roof of this big old house  
everything else is O. K. -

I am anchoring something  
for the children for Christmas.

Wishing you all a happy holiday  
sending much love to my and all  
always affectionately Aunt Felicia
